

Table with 12 columns (A12-A1) and 5 rows of exam details including course names, exam codes, and dates.

Final exam attendance for students is compulsory. Only paper-based, but online or via assessment methods adapted with distance education process are available with students consent. The measurement method which will be used for each course will be announced on UZEM system. Please follow your instructor's notifications on UZEM system for the dates and time of exams that are not included in the exam schedule.
