21 September – 16 October 2026	TERM I – 1st Committee: Adaptation Week – Cell-Tissue-Organ Systems
21 September – 2 October 2026	TERM V – Anesthesiology and Reanimation Practical Course – D
21 September – 2 October 2026	TERM V – Elective Practical Course – C
28 September – 16 October 2026	TERM V – Infectious Diseases Course – B
28 September – 16 October 2026	TERM V – Neurology and Neurosurgery Practical Course – A
5–16 October 2026	TERM V – Elective Practical Course – D
5–16 October 2026	TERM V – Orthopedics and Traumatology Practical Course – C
19 October – 6 November 2026	TERM V – Cardiology and Cardiovascular Surgery Practical Course – A
19 October – 6 November 2026	TERM V – Pulmonology and Thoracic Surgery Practical Course – B
19–30 October 2026	TERM V – Ophthalmology Practical Course – D
19–30 October 2026	TERM V – Physical Medicine and Rehabilitation Practical Course – C
19 October – 27 November 2026	TERM III – Blood-Immune System-Tumor Committee
19 October – 20 November 2026	TERM I – 2nd Committee: Bone-Joint
26 October – 4 December 2026	TERM II – 2nd Committee: Stages of Life I
29 October 2026	Republic Day (Holiday)
2–13 November 2026	TERM V – Ophthalmology Practical Course – C
2–13 November 2026	TERM V – Physical Medicine and Rehabilitation Practical Course – D
9–27 November 2026	TERM V – Cardiology and Cardiovascular Surgery Practical Course – B
9–27 November 2026	TERM V – Pulmonology and Thoracic Surgery Practical Course – A
9 November 2026 – 8 January 2027	TERM IV – Pediatrics Practical Course Block
	TERM IV – Internal Medicine Practical Course Block
	TERM IV – Obstetrics and Gynecology–Urology Practical Course Block
	TERM IV – General Surgery–Emergency Medicine Practical Course Block
16–27 November 2026	TERM V – Otorhinolaryngology Practical Course – D
16–27 November 2026	TERM V – Plastic, Reconstructive and Aesthetic Surgery Practical Course – C
23 November 2026 – 25 December 2026	TERM I – 3rd Committee: Musculoskeletal System
30 November – 11 December 2026	TERM V – Plastic, Reconstructive and Aesthetic Surgery Practical Course – D
30 November – 11 December 2026	TERM V – Dermatology Practical Course – C
30 November 2026 – 18 December 2027	TERM V – Psychiatry and Child Psychiatry Practical Course – A
	TERM V – Forensic Medicine and Public Health Practical Course – B
30 November 2026 – 31 December 2027	TERM III – Circulatory-Respiratory System Committee
7 December 2026 – 8 January 2027	TERM II – 3rd Committee: Stages of Life II
14–25 December 2026	TERM V – Dermatology Practical Course – D
14–25 December 2026	TERM V – Otorhinolaryngology Practical Course – C
21 December 2026 – 8 January 2027	TERM V – Psychiatry and Child Psychiatry Practical Course – B
21 December 2026 – 8 January 2027	TERM V – Forensic Medicine and Public Health Practical Course – A
28 December 2026 – 1 January 2027	TERM V – Semester Break – Groups C-D
28 December 2026 – 15 January 2027	TERM I – 4th Committee: Circulatory-Respiratory System
1 January 2027	New Year's Day
4–8 January 2027	TERM III – Semester Break
4–22 January 2027	TERM V – Neurology and Neurosurgery Practical Course – C
4–22 January 2027	TERM V – Infectious Diseases and Clinical Microbiology Practical Course – D
11–12 January 2027	TERM I – Make-up Session for Professional Skills Practice (Basic Medical Skills)
13 January 2027	TERM I – Professional Skills Practice (Basic Medical Skills) Examination
11–15 January 2027	TERM V – 1st Semester Break – Groups A-B
11–15 January 2027	TERM IV – 1st Semester Break
11–15 January 2027	TERM II – Semester Break
18–22 January 2027	TERM I – Semester Break
Spring Semester	
11 January – 19 February 2027	TERM III – Nervous-Sensory-Locomotor System Committee
18–29 January 2027	TERM V – Elective Practical Course – B
18 January – 19 February 2027	TERM II – Basic Clinical Integration I
18–29 January 2027	TERM V – Orthopedics and Traumatology Practical Course – A
18 January – 19 March 2027	TERM IV – General Surgery–Emergency Medicine Practical Course Block
	TERM IV – Obstetrics and Gynecology–Urology Practical Course Block
	TERM IV – Internal Medicine Practical Course Block
	TERM IV – Pediatrics Practical Course Block
25 January – 19 February 2027	TERM I – 5th Committee: Abdomen-Gastrointestinal System
25 January – 12 February 2027	TERM V – Infectious Diseases and Clinical Microbiology Practical Course – C
25 January – 12 February 2027	TERM V – Pulmonology and Thoracic Surgery Practical Course – D
1–12 February 2027	TERM V – Anesthesiology and Reanimation Practical Course – B
1–12 February 2027	TERM V – Physical Medicine and Rehabilitation Practical Course – A
15–26 February 2027	TERM V – Physical Medicine and Rehabilitation Practical Course – B
15–26 February 2027	TERM V – Ophthalmology Practical Course – A
15 February – 5 March 2027	TERM V – Cardiology and Cardiovascular Surgery Practical Course – C
15 February – 5 March 2027	TERM V – Neurology and Neurosurgery Practical Course – D
22 February – 26 March 2027	TERM III – Digestive System-Metabolism Committee
22 February – 2 April 2027	TERM I – 6th Committee: Central Nervous System
22 February – 2 April 2027	TERM II – Blood-Immune-Tumor
